Vale Colin Campbell OAM

The Australian grape and wine community has lost a tireless leader, contributor, advocate and friend with the death of Colin Campbell OAM last week.

The entire Australian grape and wine sector – and especially his precious Rutherglen region – is the richer for Col's years of selfless commitment and service and his unstinting support for wine, tourism and regional communities.

On behalf of the Board and staff at Wine Australia, I extend our heartfelt condolences to Colin's family.

Brian Walsh,
Chair, Wine Australia

About Wine Australia

Wine Australia supports a competitive wine sector by investing in research, development and extension (RD&E), growing domestic and international markets, protecting the reputation of Australian wine and administering the Export and Regional Wine Support Package.

Wine Australia is an Australian Commonwealth Government statutory authority, established under the *Wine Australia Act 2013*, and funded by grape growers and winemakers through levies and user-pays charges and the Australian Government, which provides matching funding for RD&E investments.
