Australian Wine Tasting Invitation

Monday 2 October

Join us for this tasting to explore the diversity and innovation of Australian wine.

- Taste over 250 wines from 50 producers, some already in market and some seeking distribution
- Compare and contrast organic, biodynamic and natural wines
- Discover which varieties, styles and pioneering methods are exciting the artisans
- Find out how water management and alternative varieties are combatting climate change

Think you know Australian wine? Taste the change and think again.

13:00–16:00

**Vanha Ylioppilastalo,
