

Geographical Indication ‘Wilyabrup’

This textual description makes reference to physical features where possible and identifies their locations with grid references. In case of any ambiguity, the physical features take precedence over the grid references.

The Geographical Indication (GI) Wilyabrup is located within the GI of Margaret River and within the state of Western Australia, Australia.

The official maps used to support the textual description of the boundary of the Geographical Indication Wilyabrup are:

Clairault topographic map

Cadastral overprint

Scale 1: 50,000

Sheet 1830-1

Compiled by the Office for Information Management, Geographic Information Services under the authority of the Director General.

Mentelle topographic map

Cadastral overprint

Scale 1: 50,000

Sheet 1830-2

Compiled by the Office for Information Management, Geographic Information Services under the authority of the Director General.

The starting point is the north-west corner of the GI on the Clairault map at grid reference 134 657, being the northern boundary of the Wilyabrup Postcode Area and its intersection with the Western Australian coast; then following the Postcode boundary proceeding east to Quininup Road at grid reference 162 657; then generally north-east along Quininup Road to the junction of Caves Road at grid reference 176 671; then continuing generally east and north-east on Abbeys Farm Road to the intersection with Thornton Road at grid reference 220 680 then generally south along the postcode boundary to grid reference 223 666; then east to grid reference 225 666; then south to grid reference 225 646; then south east to grid reference 227 643; then east to Metricup-Yelverton Road at grid reference 245 643. The boundary then crosses to the Mentelle map and follows the Metricup-Yelverton Road generally south-east and then south to Metricup Road at grid reference 258 610; then east south east on Metricup Road to Bussell Highway at grid reference 270 607; then south west along Bussell Highway to the intersection with Cowaramup Bay Road at grid reference 238 511; then generally west along Cowaramup Bay Road to the intersection with Ellenbrook Road at grid reference 233 513; then generally south west along Ellenbrook Road to the intersection with

Patton Road at grid reference 193 491; then north along Patton Road to grid reference 193 493; then west to grid reference 188 493; then north to grid reference 188 495; then west to Caves Road to grid reference 168 495 then south to the intersection with Van Tripp Road at grid reference 169 493 then continuing generally west to the Western Australian coast at grid reference 134 493 then continuing generally north along the West Australian coastline to the start point at grid reference 134 657.
